B Dr. Majed ALAZZAWI
President, Bright Inventors

Bright Expo 2025 is a remarkable **global online gathering** that will unfold on **December 21, 2025**, dedicated to honoring creativity, invention, and innovation. Hosted by **Bright Inventors** in collaboration with the **Global Community of Innovation, Science, and Research**, this international exhibition provides a leading stage for inventors and innovators to unveil transformative ideas and visionary solutions with the power to shape tomorrow's world.

Participants will be able to **discover pioneering technologies**, interact with exhibitors, and dive into a wealth of new concepts, fostering collaboration and expanding their global reach. The Expo aims to build a vibrant ecosystem of **inventors, entrepreneurs, intellectual property experts, industry professionals, investors, and technology enthusiasts**. By connecting diverse perspectives and talents, the event encourages dialogue, sparks creativity, and sets the scene for future achievements.

Bright Expo 2025 also serves as a catalyst for **networking, partnerships, investment opportunities, and mentorship**. With a strong commitment to openness and inclusivity, the event will be hosted entirely online, enabling participants from across the globe to take part in this inspiring journey. The virtual format ensures a rich and engaging experience for everyone, filled with exploration and celebration of human imagination.

We warmly welcome you to join us as we shine a light on innovation and chart new pathways toward a future powered by human ingenuity. **Register today** and secure your place at the forefront of technological progress.

Why Bright Expo is a Game-Changer for Inventors

The **Bright Expo** unlocks unique opportunities for inventors eager to advance their ideas and leave a lasting mark on the world of innovation. Here's how this event can transform your journey:

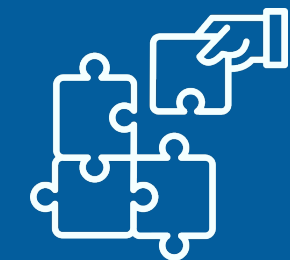

Global Stage for Innovation

Global Reach and Visibility

Insightful Feedback and Recognition

Collaboration Opportunities

Age Categories for Participation

At **Bright Expo**, we welcome inventive minds of every generation, because creativity and innovation have no age boundaries. To celebrate inclusivity, participants can join through one of the following five categories:

1. **Elementary Group | Middle School Group | High School Group**
2. **University Group | Open Category**

 *Note: Participants under 18 must have parental or guardian consent to take part.*

Bright Expo – Key Dates

- **Registration Deadline: November 15, 2025**
Complete your registration by this date, including the form, a two-page essay, and any required documents.
- **Judging Period: December 8 – 15, 2025**
Participants will either join a live online judging session or submit a pre-recorded video presentation of their project for evaluation.
- **Results Announcement: December 21, 2025**
The official results will be revealed on this day.

 Mark your calendars and be part of an event that highlights the brilliance of human creativity and the limitless potential of invention!

Bright Expo 2025 – Innovation Categories

Technology & Computing

Artificial Intelligence & Robotics
Information & Communication Technology
Quantum Computing & Advanced Computing
Virtual & Augmented Reality
Blockchain & Cryptocurrencies
Gaming & Interactive Media
Wearable Technology & Internet of Things (IoT)

Energy, Environment & Sustainability

Sustainable & Renewable Energy
Environmental Science & Green Technology
Water Resources & Management
Recycling & Waste Management
Nanotechnology & Microfabrication

Health, Life & Biotechnology

Biotechnology & Life Sciences
Medical & Health Innovation
Public Health & Safety Innovations
Assistive Technologies & Accessibility Solutions

Engineering & Industrial Innovation

Material Science & Engineering
Chemical Engineering & Industrial Processes
Advanced Manufacturing & Industry 4.0
3D Printing & Additive Manufacturing
Aerospace Engineering & Space Exploration
Transportation & Mobility Solutions
Automotive Innovation

Bright Expo 2025 – Innovation Categories

Agriculture, Food & Lifestyle

Agricultural & Food Technology
Food & Beverage Innovation
Home Automation & Smart Living
Pet & Animal Care Technology
Textile & Fashion Technology

Society, Culture & Education

Educational Technology & Services
Social Innovation & Community Services
Tourism & Hospitality Innovation
Cultural Heritage & Preservation Technologies
Legal Tech & Regulatory Compliance

Business & Smart Development

Fintech & Financial Innovation
Smart Cities & Urban Development
Supply Chain & Logistics
Entertainment & Media Technology
Sports & Fitness Technology
Humanitarian Technology & Disaster Management

Judging Criteria

To guarantee fairness, clarity, and consistency in evaluating all showcased inventions, **Bright Expo** will apply the following judging criteria. Each project will be assessed on its own merit, ensuring every inventor has an equal opportunity to shine.

Innovation & Originality
35%

Market Potential
25%

Practicality & Usability
20%

Presentation & Demonstration
20%

For registration

please contact us at info@brightexpo.org

If a delegate is available in your country, we will connect you directly so that you can complete your project registration through them.
